

WILLIAM A. BELL, SR.  
MAYOR

**CITY OF BIRMINGHAM**  
**DEPARTMENT OF PLANNING, ENGINEERING & PERMITS**

ANDRE V. BITTAS  
DIRECTOR

**STORM SEWER SYSTEM CERTIFICATION**

I, \_\_\_\_\_, a licensed civil engineer in the State of Alabama, certify that the plans provide for proper drainage of the project according to sound engineering principles; all portions of the on-site storm sewer system empty into existing natural drainways or storm sewers; the capacity of each such drainway or storm sewer is not exceeded by the system designed; and the post-development runoff does not exceed the pre-development runoff.

Project Name: \_\_\_\_\_

\_\_\_\_\_  
Signature of Licensed Individual

License No. \_\_\_\_\_ Date: \_\_\_\_\_

Note: If you are unwilling to sign this certification as is, please provide this office with a letter addressing pre-development vs. post-development storm water runoff for the site.
